WORK EXPERIENCE

Family business

2020-2024

- I worked a small family business with my mother at home. That is especially selling coconut desserts and small bervege shop . So , I have known about customer service well and I loved and interested about customer services since that time.

Waiter (part time)

(about 1 week)

- Actually , I didn't have so much experience that how to work as a waiter at a big restaurant. So , I worked as a part time waiter when I first arrived in Phuket through my friends . That's why I knew a bit that the duties and responsibilities as a waiter at a big restaurant .

Waiter and bar man(just drinks
a coffee)

(about 7months)

I knew the rules , obligations , duties and responsibilities of a waiter well when I get a permanent job . That makes me to be professional and remind me how to overcome the challenges in every situations while working my position.
